

GPA Poster Scoring Rubric (2024)

Judge's Name: \_\_\_\_\_

Poster Title: \_\_\_\_\_

Name of First Author: \_\_\_\_\_

Please use the following scale to rate the quality of each item.

Needs Improvement

1

Satisfactory

2

Good

3

Very Good

4

Excellent

5

**Title (Max Total = 5 points)**

\_\_\_(5) Title clearly and succinctly summarizes the content/findings of the study and there are no typos or misspelled words

**Abstract (Max Total = 10 points)**

\_\_\_(5) Is free of typos/misspellings, is well-written overall, and is 150 words or less

\_\_\_(5) Clearly summarizes key aspects of the study sample/purpose/design/results/ implications of results

**Introduction (Max Total = 15 points)**

\_\_\_(5) Includes a clear, compelling rationale for the study, including theoretical or practical implications

\_\_\_(5) Includes appropriate literature review with citations that are relevant/high-quality and appropriately uses APA format

\_\_\_(5) Questions/hypotheses are clearly stated

**Method (Max Total = 15)**

\_\_\_(5) Clearly/succinctly describes sample and inclusion/exclusion criteria

\_\_\_(5) Provides detailed description of measures used, including rationale for choosing various measures

\_\_\_(5) Provides detailed description of data collection and rationale for study design/statistical analyses

**Results (Max Total = 10)**

\_\_\_(5) Results are clearly explained and if relevant, tables/figures are used to clearly summarize the data

\_\_\_(5) Reporting of statistical tests is consistent with APA format

**Discussion (Max Total = 20)**

\_\_\_(5) Conclusions and implications of findings are clearly summarized

\_\_\_(5) Discussion includes a clear statement about whether the findings do or do not support original hypotheses

\_\_\_(5) Thoughtful study limitations and potential rival explanations of findings are identified

\_\_\_(5) Future directions for research in this area are identified

**References (Max total = 5)**

\_\_\_(5) Includes at least 3 relevant references, references are from high-quality sources, and uses APA format

**Visual Presentation (Max Total = 5)**

\_\_\_(5) Well-organized, visually appealing, and easy to read

**Oral Presentation (Max Total = 15)**

\_\_\_(5) Presenter is well-organized and demonstrates a thorough, in-depth grasp of topic/project

\_\_\_(5) Presentation is given in a professional manner/presenter demonstrates excellent communication skills

\_\_\_(5) Presenter answers questions fully and answers are easy to understand

Total Score = \_\_\_ / 100
